## Roles and responsibilities overview

**The head of centre** is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/assessments.

**The examinations officer** is the person appointed by the head of centre to act on behalf of, and be the main point of contact for, the centre in matters relating to the general administration of awarding body examinations and assessments.

**The head of centre may not appoint themselves as the examinations officer.** A head of centre and an examinations officer are two distinct and separate roles.

The head of centre and/or examinations officer may operate across more than one centre. In such cases the head of centre must ensure there is suitable support in place, so they can meet their obligations across all centres for which they are responsible. The head of centre must ensure that these arrangements are covered by their examination contingency plan. ([GR](#), section 2)

### Head of centre responsibilities

The **head of centre** is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/assessments. **It is the responsibility of the head of centre to ensure that all staff comply with the instructions in this booklet.** Failure to do so may constitute malpractice as defined in the JCQ publication *Suspected Malpractice: Policies and Procedures, 1 September 2022 to 31 August 2023*:

This will allow members of the senior leadership team to act immediately in the event of an emergency or staff absence. The examination contingency plan must be available for inspection purposes;**

*(The examination contingency plan should also reinforce procedures in the event of the centre being unavailable for examinations or on results day owing to an unforeseen emergency.)"*

Refer to [GR](#) (section 5.3) **Policies available for inspection** and (5.8) **Candidate information**

Consideration may also need to be given to the centre's policy on sharing candidates' results and other exams related information with those with parental responsibility and third parties

#### **Legislation on sharing information**

Under the principles of the General Data Protection Regulations 2018 and the Data Protection Act 2018, children and young adults can assume control over their personal information and restrict access to it from the age of 13. This suggests that candidate consent should be sought to share results or other exams-related information with a third party.

Other legislation and guidance may need to be taken into account regarding sharing information with parents, as example information from the DfE for schools regarding parental responsibility and school reports on pupil performance:

- Understanding and dealing with issues relating to parental responsibility  
[www.gov.uk/government/publications/dealing-with-issues-relating-to-parental-responsibility/understanding-and-dealing-with-issues-relating-to-parental-responsibility](http://www.gov.uk/government/publications/dealing-with-issues-relating-to-parental-responsibility/understanding-and-dealing-with-issues-relating-to-parental-responsibility)
- School reports on pupil performance: guidance for headteachers  
[www.gov.uk/guidance/school-reports-on-pupil-performance-guide-for-headteachers](http://www.gov.uk/guidance/school-reports-on-pupil-performance-guide-for-headteachers)

#### **Publication of exam results**

Refer to [GR](#) (section 5.3) **Policies available for inspection**

- Ensures the centre has documented processes in place relating to access arrangements and reasonable adjustments

### Access Arrangements Policy

*Policy available in the academy policy folder.*

There is no specific JCQ regulation that refers to a 'policy' requirement in this respect though it might be good practice to bring all aspects of the process together in one place thereby confirming the centre complies with [GR](#) (section 5.4) **Access arrangements and reasonable adjustments**

### Conflicts of interest

- Ensures the relevant awarding bodies are informed before the published deadline for entries for each examination series of any potential conflict of interest where:
  - a member of centre staff is taking a qualification at the centre which includes internally assessed components/units (noting that being entered by the centre must be as a last resort where unable to find an alternative centre)
  - a candidate is being taught and prepared for a qualification which includes internally assessed components/units by a member of centre staff with a close relationship to the candidate
- Maintains clear records that confirm the measures taken/protocols in place to mitigate any potential risk to the integrity of the qualifications affected by the above, and where:
  - a member of exams office staff has a close relationship to a candidate being entered for exams and assessments at the centre or at another centre

- a member of centre staff is taking a qualification at the centre which does not include internally assessed components/units (noting that being entered by the centre must be as a last resort where unable to find an alternative centre)
- a member of centre staff is taking a qualification at another centre

### Conflicts of Interest Policy (Exams)
